June 27, 2016

Registered Voters of the Groton Area School District #06-6

In January 2016 the Groton Area School Board of Education began working on a comprehensive needs assessment for the District including an analysis of District facilities. The initial process included an opportunity for public input through a Values Definition meeting and an online survey.

The Board has spent a great deal of time analyzing the information gained from a variety of sources and in collaboration with the consultants from Fosters, Jacobs, and Johnson, Inc. and is again seeking input. To this end, the Groton Area School Board will be hosting a series of public meetings seeking input on potential building improvement measures intended to address areas of facility deficiency recognized in the initial phases of our discussions.

The dates and times for the public meetings are as follows:

Tuesday, July 12, 2016, 7:00 PM, Groton Community Center  
Thursday, July 21, 2016, 7:00 PM, American Legion, Columbia  
Tuesday, July 26, 2016, 6:00 PM, Senior Center, Andover  
Tuesday, July 26, 2016, 8:00 PM, Bristol Community Center  
Thursday, July 28, 2016, 7:00 PM, Ferney

Please mark your calendar and make plans to attend one of these important meetings.

Additional information about the process undertaken so far along with what we've learned and identified as necessary improvements is available online at [www.grotonarea.com](http://www.grotonarea.com).

Sincerely,

Groton Area School Board  
Groton Area School District #06-6
