Bids for materials, supplies or equipment will be advertised and printed in the official newspaper of the district at least twice, the first publication at least ten days prior to the opening of bids. The advertisement will state the time and place the bids will be opened and passed upon by the Board. In the notice the Board will reserve the right to reject any and all bids.

When the contract is for the construction of a public improvement the advertisement must state where the plans and specifications may be examined. In specifying or purchasing goods, merchandise, supplies or equipment, the Board will not specify any trade-mark or copyrighted brand on any product or any patented product, apparatus, device or equipment where proper competition will be prevented unless bidders also are

asked for bids or offers upon other articles of like nature, utility and merit, and naming the make or brand to indicate the type or quality specified.

The sealed bids will be publicly opened and read at the time and place stated in the advertisement. Any bid may be withdrawn or modified before the time of opening as specified in the advertisement. Unless all bids presented are rejected, the lowest responsible bid, in all cases must be accepted.

If after advertising for bids no bids are received the Board may negotiate a contract for the purchase of the materials, supplies or equipment at the most advantageous price. However, such materials, supplies or equipment will meet the specifications of the original advertisement for bids.

The Board will contact and attempt to obtain competitive quotations from at least three suppliers. A record of the names of the suppliers, the quotations received and the procurement procedures used in purchasing will be documented, noted in the minutes, and retained on file by the Board. The Board may reject all bids and negotiate a contract if after advertising no firm competitive bids are received.

When supplies or equipment, or construction or remodeling services are to be purchased the Board may require a reasonable deposit or bid bond by the bidders. The deposit or bonds must be returned to unsuccessful bidders immediately. No more than 30 days will elapse between opening of bids and acceptance of the lowest responsible bidder or rejection of all bids.

When supplies and equipment are received they will be opened and inspected by the purchasing agent, and compared with the written order to see that they were received as ordered and in acceptable condition for payment. If someone other than the purchasing agent, receives such supplies or equipment for the school district, this person will be required to sign the voucher for payment to the effect that they were received as ordered. The purchasing agent of the school district will sign all vouchers before the Board authorizes their payment.
